EDUCATION

TU Graz — *Graz, AT*
BSc in Physics — *10/2020 - now*

- Computational Physics
- Bachelor Thesis: ...

HTL Jenbach — *Jenbach, AT*
Higher Education — *09/2014 - 06/2019*

- Mechanical Engineering - Automation and Mechatronics
- Diploma Thesis: Development and Implementation of a robot assisted bending process for sheet metal parts

BORG St. Johann in Tirol — *St. Johann in Tirol, AT*
Secondary School — *09/2010 - 06/2014*

VS Kössen — *Kössen, AT*
Primary School — *09/2006 - 06/2010*

PROFESSIONAL EXPERIENCE

3CON — *Ebbs, AT*
Internship - Automation Engineering — *07/2021 - 09/2020*

- machine modelling with Catia
- mechanical design
- macro programming with VBA
- design with Adobe products

Austrian Red Cross — *Kufstein, AT*
Civil servant — *07/2019 - 04/2020*

Halton Foodservice — *Reit im Winkl, DE*
Diploma Thesis — *06/2018 - 01/2019*

- process design
- mechanical design
- robot programming in KRL
- technical procurement
- process implementation

Halton Foodservice — *Reit im Winkl, DE*
Internship as Mechanical Manufacturer — *07/2017 - 08/2017*

- sheet metal processing
- mechanical and electric assembly

Kontron — *Ebbs, AT*
Internship as Electronic Manufacturer — *07/2016 - 08/2016*

- electronic assembly

ABOUT ME

Mechatronics engineer and ´ science enthusiast

SKILLS

Python
Creo Parametric
Adobe Photoshop
Kuka Robot Language
Visual Basic and VBA
Catia
MATLAB
Adobe Illustrator

0 — +200 h

LANGUAGES

German • Mother tongue
English • Fluent
French • Basic

HOBBIES

Running, Photography, Electronics and Reading.
